VERIFICATION SYSTEM

SCAN-1X SERIES

Media Erasure and Destruction Report Package

DDR-25SSD workstation shown with SCAN-1X (laptop not included)

SCAN-1X

The SCAN-1X series generates media destruction reports complete with date, time, user ID, serial number, and destruction verification. These detailed reports provide the audit-worthy documentation needed to verify data erasure and destruction. The SCAN-1X series fully integrates with our degaussers and the PD-5 and SSD-1 physical destroyers.

Features and Benefits

- Scan and record media serial number, date, time, user ID, and destruction results
- Create detailed, audit-worthy reports of degaussed and destroyed hard drives

Package Includes

- Media Destruction Report Software
- Scanner and Stand
- USB Interface and Cable
